Hi Linda.

I have been on travel and had problems with remote access but today is better. I will let you know if it will be a whole day for me or just half day. I will check with Laguna and see if they have maintained the road on Jackpile. With the recent rains it tends to washout the road and makes a 4 wheel drive necessary. I will keep you posted.

LaDonna

Hi LaDonna,

Thank you for helping with these arrangements. And for the restaurant recommendation in Milan – that is good news.

Would you like to join for the whole day, or meet at lunchtime, or meet at Laguna Pueblo? Do you know if a 4 wheel drive needed for Jackpile?

I'm on travel tomorrow as well.

Best,

Linda

Hi Linda.

I can work with you on getting the arrangements for the Jackpile tour. Thanks for the draft agenda below that is very helpful for planning. I have spoken with Laguna representatives to schedule the date of August 13. I am in the process of checking the availability of the Laguna Governor for a brief meet/greet, as it is customary for upper management level to do when on pueblo lands. On the tour of Jackpile it would include me, possibly Ben Benipal EPA, and 2 to 3 Laguna staff.

Also, another lunch option to consider is the Kiva Cafe at the Chaco Travel Center in Milan, NM. It has a variety of New Mexican food and american food that is very tasty for the area.

Please let me know the driving arrangements - at the moment I have an economy car reserved but can upgrade that if needed.

I am on travel today and tomorrow but will be back to work on Thursday. Please let me know how I can assist you in any way.

LaDonna Turner.

Greetings LaDonna,

I am coordinating the Robin Richardson mine tour on August 13. Please see draft itinerary below – it's going to be a very long day. Hopefully the MapQuest drive times and distances are correct. Can I work with you or someone else in your office to arrange the Jackpile tour?

Clancy and I will attend, and Randy Nattis and a Navajo representative will meet us at Haystack. Do you know who will participate in the Jackpile tour?

We plan to provide briefing materials early next week.

Cheers,

Linda
